

Battery Testers

Car Battery System Testers

Model: 3015 3025

Features

Model	3015	3025
Display	4 digits LCD	4 digits LCD
Test leads length	700mm	700mm
Overvoltage protection	√	√
Polarity reverse protection	√	√

Specifications

Model	3015	3025
Battery type	12V Storage Battery	12V/24V Storage Battery
CCA (Cold Cranking Amps)	100~1700	100~1700
IEC	100~1000	100~1000
EN	100~1700	100~1700
DIN	100~1000	100~1000
Working voltage	9V ~ 18V	9V ~ 35V
Internal resistance	0.00~99.99mΩ	0.00~99.99mΩ
Battery capacitance	30AH-200AH	30AH-200AH
Storage battery test	√	√
Engine system activation load test	√	√
Maximum load system test	√	√
Charging system test	√	√

General Information

Model	3015/3025
Product size	180mm*90mm*32mm
Product weight	400g
Standard accessories	Manual
