

Multi-function Process Calibrators

Digital Loop Calibrators

Model: 05S

Features

Model	05S
LCD with backlight	√
Flash light	√
Data hold	√
Auto-stepping	√
Auto power off	√
Current automatic sawtooth wave output	√
Current automatic triangular wave output	√
24V loop power supply	√
Low battery indication	√

General Information

Model	05S
Power supply	1.5V AA battery x 3pcs
Product color	Black+ blue
Product weight	300g
Product size	131*65*35mm
Standard accessories	pouch, manual, batteries, test leads

Specifications

Measurement function	Range	Scope	Resolution
DCV	30V	-30.000V ~ 30.000V	0.02%+2mV
DCA	30mA	-30.000mA~30.000mA	0.02%+4uA
LOOP	24 V	---	10%
Simulation function	Range	Scope	Accuracy
DCA	30mA	0.000mA~30.000mA	0.05%+4uA
