

Network Cable Tester

Model: 668A

General Information

Model	668A
Power supply	Receiver: 9V 6F22 battery Emitter: 1.5V AA x 3
Product weight	Receiver: 102g Emitter: 136g
Product size	Receiver: 125x55x25mm Emitter: 186x35x25mm
Standard accessories	Batteries, manual, RJ-11 cable, RJ-45 cable, crocodile clips, earphone, pouch

Specifications

Model	668A
Cable tracking distance	3000m
Output signal level	About 23Vp-p (adjustable frequency)
Test cable type	RJ45/ RJ11
Cable tracking	√
Tracking cable while the terminals is on	√
Withstand voltage 48V	√
Test open circuit	√
Test short circuit	√
Test cable sequence	√
Low battery indication	√
Adjustable sensitivity	√
Earphone connection	√
Flash light	√
