## Company Development Timeline

So far

Partnered with multiple international brands, with product lines spanning across various categories and markets.

2012

Euro supper market since 2012

2015

Service Euro importer since 2015

2010

Since 2010  stores for USA

2006

Since 2006   Store

2006

Service  Stores until 2006

1999

Since 1999

## SERVICE SINCE 1999

With over two decades of kitchenware industry expertise, our company excels in product development and technical control, delivering top-quality products from a selection of over 30,000 items. We highly value customer feedback to continuously refine and enhance our offerings.

## CAN I CUSTOMIZE THE PACKAGING

We offer customizable packaging to meet your unique needs, including logos, colors, designs, and labeling. Simply share your branding guidelines and packaging ideas, and our design team will collaborate with you to create a tailored solution that reflects your brand identity. Let us know if you need assistance or have any questions.

## COMPANY PHOTO

# KNIFE SET OEM MANUFACTURER

- **Stays Sharp Longer**

Professional, satin-finished blade boasts precision cutting and is finely honed for long-lasting sharpness

- **Durable material**

The handle material can be chosen from a variety of high-strength composites or woods that can add to the overall durability of the knife and enhance its visual aesthetics.

- **Corrosion resistance**

Effective in resisting corrosion, rust and oxidation in a variety of environments, maintaining a long-lasting appearance and functionality.

- **Longevity and Stability**

Full knives are generally more durable and resistant to wear. The tang running through the entire handle ensures the knife remains securely intact over time.

- **3.5" S/S PARING KNIFE**

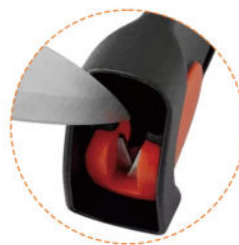

MK00227C9

SIZE:3.5",HANDLE:11.3CM,W:34G

- **full tang design**

Full tang designs often provide a better grip and control, as the user can maintain a secure hold along the full length of the handle.

# KNIFE SET OEM MANUFACTURER

No: **MK01385E8**

- Exquisite design
- Unique handle for comfortable grip
- Sturdy and durable
- Sharp blades
- Corrosion and rust resistant

#### Goodness of Fit

Proper knife tip angle, fine grinding, seemly thickness and weight for daily use.

#### Cutting Edge

Double-sided cutting edge and excellent blade retention ability for sharpness and durability.

#### Stainless Steel

High-carbon Stainless Steel, good performance of abrasion and corrosion resistance for cutting food.

#### ABS Handle

ABS hard handle, rivet structure and ergonomic design for comfortable grip and hold.

#### Hadle Knives & Wooden Block

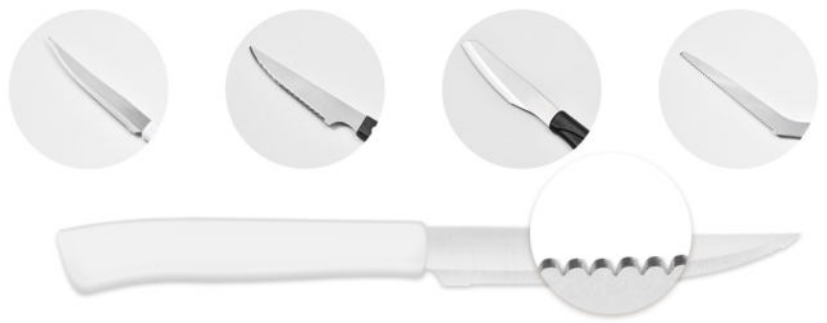

If you are looking for a good kitchen knives set that classic, simple and reasonably priced, this is, without a doubt, one of the best kitchen knives sets out there.

- This universal knife holder features rubberized feet that prevent skidding & shifting to ensure safe & hazard-free kitchen knife storage, even around kids or clumsy folks!
