

Application

With high brightness and easy installation, SEEKWAY CW43 wall washer suits **various outdoor economic lighting solutions**. Customization options include aluminum colors, adjustable lengths, and LED choices (RGB, RGBW, monochrome). It boasts UV resistance, VO flame retardancy, and excellent electrical safety **for stable outdoor use**. Structurally, it features a sliding fix for **easy installation** on various brackets and conceals cables for seamless integration. It enhances cityscapes by **outlining high-rises, elevated roads, bridges, and natural landscapes like parks and rivers**.

Specification

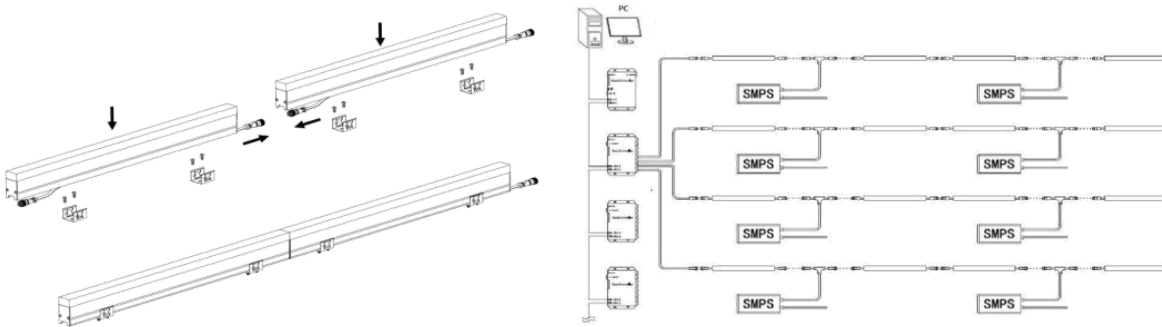

Model	CW43-18	CW43-24	CW43-36	CW43-48
LED type	Philips	Philips	Philips	Philips
Input Voltage	DC 24V	DC 24V	DC 24V	DC 24V
Pixel Composing	18 LEDs/Pixel	24 LEDs/Pixel	18 LEDs/Pixel	24 LEDs/Pixel
LED Qty	18pcs	24pcs	36pcs	48pcs
LED Color	Monochrome、 RGB、RGBW	Monochrome、 RGB、RGBW	Monochrome、 RGB、RGBW	Monochrome、 RGB、RGBW
Control Mode	On/off、DMX512	On/off、DMX512	On/off、DMX512	On/off、DMX512
Power Consumption	18W	24W	36W	48W
Grey Scale	65536			
Beam Angle	120°			
Size	W35*H35*L975MM			
Surface Color	Gray			
Cover	Glass			
Shell material	Aluminum alloy + Glass			
PCB material	FR-4			
Ingress Protection	IP67			
Operating Temp.	-20℃—60℃			
Service life	>80000h			

Luminosity Distribution

Installation Method

The power supply can handle up to **24 devices** on one route, depending on the power capacity of the supply.
